

UNIVERSAL PIPETTE TIPS

Universal Pipette Tips are designed to fit a wide variety of single and multi-channel pipettes. They are compatible with most research grade pipettes. They are classified by sample volume, autoclavable and can be easily distinguished by color.

FEATURES

- Manufactured from high-quality polypropylene material
- Diverse product range
- Excellent compatibility with most pipettes
- Easy color identification for different volumes
- Autoclavable for safe reuse conditions
- Supplied in bulk packaging
- Non-sterile forma
